The 2018 Philadelphia Flower Show, "Wonders of Water," will celebrate the beauty and life-sustaining interplay of horticulture and water. America's leading floral and garden designer will create tropical jungles, temperate forests, native woodlands and arid landscapes, showcasing the astounding plants that thrive in each environment, from exquisite orchids and flowering vines to luminescent desert blooms. The annual Flower Show is a top destination and "must experience" horticultural event, attracting 250,000 visitors annually to the Pennsylvania Convention Center, a showcase of excellence that dates back to 1829. Our lodging will be in the Downtown Marriot which connects to the Convention Center. We will spend two days exploring the 12 acres of indoor gardens. Motorized carts are available to make it easier, for \$40. We will enjoy a peaceful, delectable pause from the show to enjoy the Garden Tea. Time will be spent at the Reading Terminal Market – "an Emporium of all sorts: shopping, eating, etc. This Market has it all." We will also see City Hall, the Liberty Bell and more!
