TRIPS & OUTINGS

Flight 93 Memorial with Lunch

Wednesday, October 9

Depart 9:00 AM

On Tuesday morning, September 11, 2001, the U.S. came under attack when four commercial airliners were hijacked and used to strike targets on the ground. Nearly 3,000 people tragically lost their lives. Because of the actions of the 40 passengers and crew aboard one of the planes, Flight 93, the attack on the U.S. Capitol was thwarted. Come with us to remember those who gave their lives for our freedom. The Memorial Plaza marks the edge of the crash site, which is the final resting place of the passengers and crew of Flight 93. The Memorial Plaza is made of various different elements. The plaza is designed to be self-guided. Orientation panels explain the basics of the plaza and interpretive panels provide a general overview of the story. A cell phone/mobile web tour provides for more in-depth exploration. Lunch (on your own) will be enjoyed at an area restaurant.
